

A Green Revolution in the Making!

Gather with friends and neighbors in the heart of West Seattle's High Point neighborhood to celebrate summer, community and the future High Point Neighborhood Center. Help us break ground on our new Center, built green for our community. Come enjoy music, dancing, speakers and refreshments. We can't wait to see you there!

A Neighborhood House Community Campaign

Building community together.

"[The High Point Neighborhood Center] is not just important for Neighborhood House. It's important for the country. It's important for the world!"

-Van Jones

Social, Eco-activist & Founder of Green for All

This is a family friendly event. Please feel free to bring a blanket for your comfort. For the safety, health and enjoyment of your pets and event-goers, please leave your pets at home.
